Notes

11

1. Authentic experience

≠

≠

Teaching for the future, not for the past

2. More opportunities with less constraints

The tool you
use is here

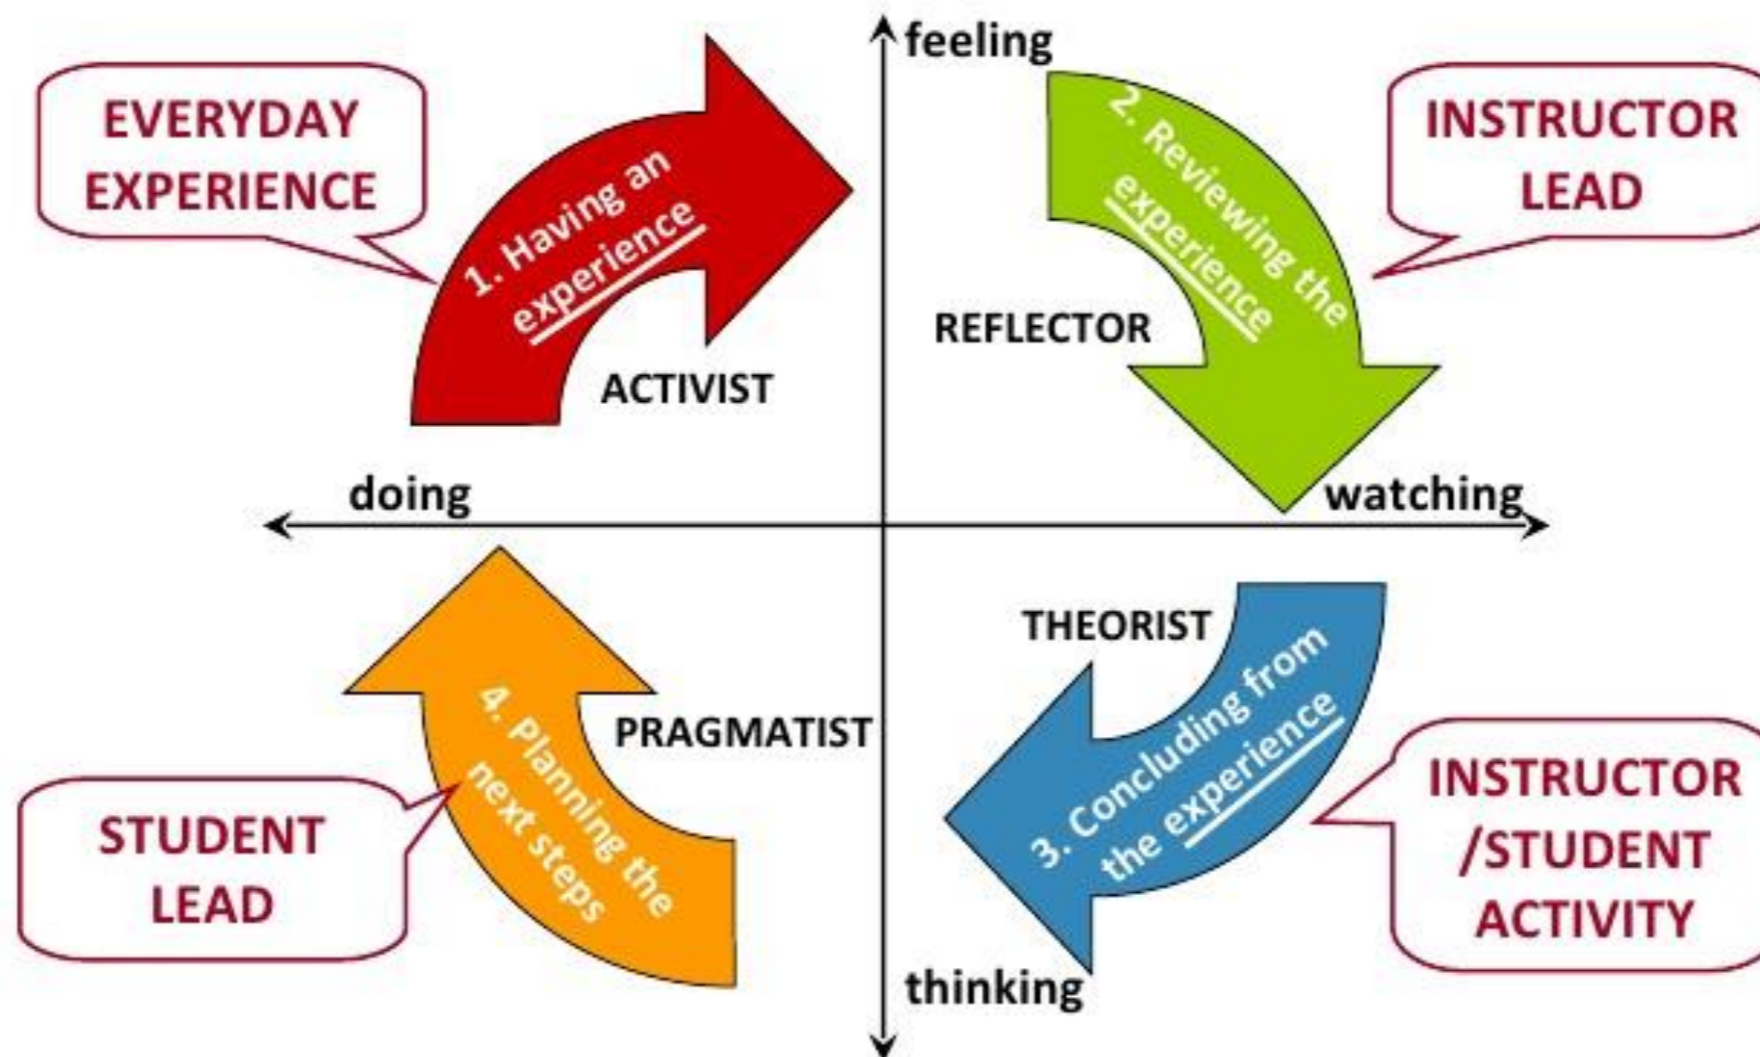

You are
here

Your students
are here

1. Lack of personal contact
I don't know if my teacher really exists :(
2. Computer proficiency
Oh my! Did I just delete everything?!
3. Technology issues
Oops! Unable to connect to the Internet
4. High level of self-discipline required
I will do this task later... Maybe
5. Must be clearly designed
What is this file? Is it a task or what?
6. Not everyone likes it
You must be kidding! It's not REAL education!
